With Brenda & Roberto Valencia from CC Kino, Sonora

Mexican CC Conference

It was a real treat to attend this year's annual Mexican Calvary Chapel (CC) Conference in Queretaro, Mexico on July 9-11, 2009. It was fun to visit with our Sonoran pastors and know first hand how they are doing. Many of you know the warmth of Brenda Valencia --- the wife of Pastor Roberto Valencia in Kino, Sonora. What a joy to visit with her and hear the great things the Lord is doing in their church! She was very appreciative of the support of Crossroads Community Church and requested me to please thank Ralph (Crossroads' Missions Pastor) for his love and support for them.

Team of counselors for the Crusade "No te Pierdas"

No te Pierdas (Don't get Lost)

On August 21 and 22 my church here in Mexico, Semilla de Mostaza (Mustard Seed) Cuernavaca, hosted a city wide evangelistic crusade named *No te Pierdas*. As a church we prayed everyday the month before the event. We promoted the event to everyone we knew and distributed invitations at bus stops, shopping centers and other public places. During the event everyone worked hard. Praise the Lord, despite the rain the crusade was well attended! We prayed that it would not rain, but it rained; later we praised the Lord for the rain because it made people stay to listen to the entire gospel message.

We saw many people come forward to receive Jesus as their Savior. From the last count I heard, 538 people prayed to receive Christ as their Savior. What a joy to see our church working together for one cause --- to proclaim the name of Jesus in Cuernavaca! Many Mexicans come to Cuernavaca to relax. This relaxation means --- drugs, alcohol and women. We are asking the Lord to change this city of darkness to a city of light to shine His love all throughout Mexico and around the world. **Would you pray with us?** You can check photos of this event at www.notepierdas.org and click on Facebook.

Septiembre de Sabiduría (September of Wisdom)

Women's Bible study group

How exciting to start leading a women's Bible study group again! For the month of September, we are studying the book of Proverbs, hence the name Septiembre de Sabiduría. I am especially thrilled that one 18 y.o. gal (my neighbor, I will call M.) decided to join my women's Bible study group. M. is seeking the Lord's direction for her career. She often comes to my apt. to seek help with her English lessons. She originally wanted to be a doctor but for one reason or another, the Lord closed this door for her. **Would you pray for the Lord to clearly guide and direct M. in her career?** I asked her to memorize Proverbs 3:4, 5, 6, 7 & 8. I assured her that the Lord will clearly guide and direct her as she trusts the Lord with all her concerns, as the Bible verse instructs.

THANK YOU!
